Subject: Request for Lecture Slides and Update on 28th September 2026 (LSFE)

Dear Dr. Atisha mam,

I hope you are doing well. I am writing to request the lecture slides for the Language Skills for Engineers session held on 28th September 2026, which I missed because I was unwell.
I want to catch up on the material I missed. Would it be possible for you to share the lecture slides from the session? If there are any exercises or worksheets associated with the lecture, I would be grateful if you could share those as well.
I would also appreciate it if you could let me know whether any important announcements were made during the class, such as changes to deadlines, assignments, or exam details, so that I can stay on track.
If it would be convenient for you, I am happy to visit during your office hours to go over any concepts I find difficult after reviewing the materials. Please let me know a time that suits you.

Thank you for your time and understanding.

Best regards,
Aira
